Full Stack Web Developer | Software Engineer

Ambattur, Chennai.
Ph: **+91 63834 80465**
Email:
subramanyam.r.2001@gmail.com

EXPERIENCE

Searce Inc, Bangalore | Software Engineer

July 2022 - Present | 10 months

As a Software Engineer, my responsibilities were to create, manage, test, implement and provide support to software systems based on the client requirements.

Worked with software development and testing team members to design and develop robust solutions to meet client requirements for functionality, scalability, and performance.

AdoptEV Technologies, Faridabad | Web Developer Intern

June 2021 - August 2021 | 2 months

Developed a booking site to enable customers to book intra city logistics services online. The task involved the use of ReactJS, Google Firebase, Google Maps API, and Razorpay API. This system also comprises an admin portal where orders are handled, and drivers are allotted.
